Dear Parents/Guardians of Grade 7 Students:

The purpose of this letter is to inform you of the process for registering your Grade 7 child at his/her school for Grade 8 starting in September 2019. In order to streamline the non-catchment/non-district process the district is allowing continuing grade 7 students in their current elementary school to be automatically approved to their current school's feeder school.

**The feeder school for ALL Grade 7 students currently attending Chalmers Elementary is:
BURNSVIEW SECONDARY SCHOOL.**

There will be Parent Information Meetings scheduled at each Secondary School in the next few weeks. Please see the list below. The purpose of these meetings will be to explain course selection and the registration process.

IMPORTANT

If you would like your child to attend a different Delta school, please note that non-catchment and non-district application forms are available on-line or at any Delta school starting on **February 4, 2019**. **Please let the Chalmers office know of your intentions.** Completed and signed forms will be accepted at your preferred Secondary School for consideration starting on **February 4th at 8:30 am**. Applications received prior to **March 8, 2019** will be considered along with all other applications in this category. If you have questions about catchment areas or non-catchment requests, please contact the school office. You might also wish to refer to the district website at <http://web.deltasd.bc.ca>.
