## Starting with Stories

Welcome to Chalmers Elementary! We look forward to having you here next year. Kindergarten is a very fun and exciting year. It can also seem scary for some children as it's a new place with new adults and new friends.

In late April and May, we will have 3 free events called *Starting with Stories* that you are invited to. You and your child come to Chalmers during the afternoon for an hour. Parents will head to an informational session hosted by professionals in our district. The children will spend time with one of the Kindergarten classrooms exploring, playing and listening to a story. This gives your child exposure to our school and new friends in smaller amounts of time so they will be comfortable in a familiar setting in September.

You are welcome to come to as many events that work for you and your family. Your child will come home with a different book that they get to keep at each event they attend.

The dates for our Starting with Stories are:

Tuesday April 30<sup>th</sup>

Tuesday May 7<sup>th</sup>

Tuesday May 14<sup>th</sup>

We will email out a reminder closer to the dates with timing. Please stay tuned.

Hope to see you there!

Sincerely,  
Mr. J. McCallum  
Principal
