Chalmers Parent Advisory Council (PAC)

Healthy **E**ating **E**nvironmental Action **L**eadership **P**hysical Activity **S**ervice

On behalf of the Chalmers Parent Advisory Council (PAC) we would like to welcome all new Kindergarten families to Chalmers Elementary School!

Chalmers is an incredible school, with caring students, staff and administration where you will meet new friends, build relationships, and discover the joy that education will bring into your family life ☺

The Chalmers PAC is the voice of the parents and guardians of children attending Chalmers.

Our mission is to support and encourage all parents and guardians at Chalmers by working together with the school administration and staff to ensure that your child receives the best education possible in a nurturing, accepting and safe environment, which fosters confidence and builds upon every part of their experience.

Our PAC contributes a sense of community within the school, home and neighborhood by accomplishing the following:

- Organizing fun family events, such as the Family Fun Night and the Welcome Back Barbecue.
- Communicating with administrators and teachers on issues that affect the general student body
- Providing an opportunity at PAC meetings for parents to get together, share resources and information on issues related to their child`s education
- Assisting in funding field trips, cultural events and the purchasing of equipment and supplies
- Raising awareness around issues facing today's parents by sponsoring parent education nights
- Volunteering in a variety of ways such as: in classrooms, the library, on field trips, at book fairs, coordinating various programs such as hot lunch, emergency preparedness, the fruit and vegetable program, and much more.

All parents and guardians are welcome to attend PAC meetings. The Principal, Vice-Principal and sometimes a teacher representative also attends and provides reports. PAC meetings are held every second month at 6:30 pm. Kindergarten parents are encouraged to attend meetings and get involved as there will be volunteer opportunities in the PAC for the coming school year.

If you have any questions at all, please feel free to send an email to chalmerspac@deltasd.bc.ca.

Sincerely,
Ranita Kajla
